

**SHAWNEE MISSION SOUTH
FOOTBALL BOOSTER CLUB MEMBERSHIP
2011**

Welcome back to past members and a special welcome to new football families. The SMS Booster Club is a group of parents and friends who support and promote the Raider football program. **Money raised from membership goes towards paying for new equipment, the family picnic, senior recognition, the end of season banquet and more.** Families whose students play football prior to high school easily spend \$300 on equipment rental (\$60), league fees (\$160), jersey and pants (\$82).

In the past the booster club spent \$110 on each player with only \$13 given per family to support the work and programs provided by the booster club. It is important to know that Coach Claypool's budget is limited and the booster club helps fund some of his special needs for equipment that wouldn't be provided otherwise. When you compare money spent prior to high school and what the booster club is asking for now to help support and build a quality program, membership is a real value.

With a program of this size *it takes everyone participating* to run a successful program both on and off the field. We hope to have over 100 boys play this season, so we invite you to become a Football Booster Club member when your son joins the football team.

Family membership is as follows:

_____ **\$25 Friend- help supply the basic needs of our football team and receive a Raider football yard sign that shows your son is a proud Raider player!**

_____ **\$50 Sponsor- receive a yard sign and 5 Raider Bucks good for spirit wear or an Ad in the program**

_____ **\$100 Patron- receive a yard sign and 10 Raider Bucks good for spirit wear or an Ad in the program**

Our goal is 100% membership with each family participating. Members who join before July 15th will be recognized in the football program and will have their names entered in a drawing for some great prizes!!

Check out the Raider website provided by the booster club: www.smsraiderfootball.com for information regarding forms, camps, schedules, club meetings and booster club officers.
